Foundation Campus Reports

Report Name

Purpose of Report

Foundations Fund Report (Per 1-998)

Provides the beginning balance, revenue, expense and ending balance for all funds that have had transactions for the fiscal year within a Foundation. This report is grouped and subtotaled by FAI Fund Type. Can be run by 6-digit Dept ID (OUC) and/or by FAI Fund Type. Also includes Advance Allocation, Food & Entertainment (exempt or non-exempt from food cost) and Advance Purpose.

General Fund Budget Report

Provides the operating budget for the entity selected. This report shows the budgeted amount and actual year to date amount as of the run date. It is grouped and subtotaled by FAI Fund Type.

Fund List (Active, Inactive, and Pending)

Lists all active, inactive and pending segments in a particular foundation, in alpha order. Provides the various attributes associated with each segment including the Advance attributes housed within the Financials system and the attributes specifically designed only for use on Foundation and University Endowment Fund segments.

Funds Building to Endowment

Lists all active funds that are building to endowment (FAI Fund Type of G0) in a particular foundation, grouped by type of fund (Scholarship, Fellowships, Professorships and Other). Includes fund balance as of the run date, full endowment amount, the setup date (Start Date), the date designating the end of the building period (End Date), if being funded by a planned gift (Planned Gift), current use fund (Project Link) associated with the BTE where applicable, and Advance allocation. Also includes the Report Code for use by the Ag Foundation.

Deficit Balances by College

Lists the segments with deficit balances for a particular foundation, in Dept ID (OUC) order. For the Ag Foundation can be run by Report Code to generate list of sub-units within the Foundation.

Contributions to Endowment Income Projects

Shows gifts made to endowment income segments. Intended as a tool to verify that gifts were correctly deposited into the income segment rather than the endowment principal segment. For the Ag Foundation can be run by Report Code to generate list of sub-units within the Foundation.

Details of Restricted Funds

Shows FYTD activity for all restricted funds, grouped by type of fund (Scholarship, Fellowships, Professorships, and Other). Also includes Advance Allocation.

Expenditures to Endowment Projects

Shows expenditures made to endowment principal segments. Intended as a tool to monitor incorrectly processed expenditures. Can be run by Report Code to segregate for sub-units within the Ag Foundation.

Transaction Summary Report (Multiple Projects)

Transaction details for a particular multiple number within the designated foundation. Use this report when a fund has more than one segment associated with it, as this report summarizes transactions by account for all segments linked to the multiple.

Budget Report by Multiple for LLC (Per 1-998)

Similar to General Fund Report above, to be used for the LLCs and the Lonnie Poole Golf Course a subset of funds within the NCSU Partnership Corporation. This report is based on multiple range.
